

10º Encontro Nacional de Química Orgânica

4 - 6 of September 2013
Pharmacy Faculty of the Lisbon University

1º Simposio
Luso-Brasileiro de
Química Orgânica

The Organic Chemical Division of the Portuguese Chemical Society cordially invites you to attend the 10th Portuguese National Meeting of Organic Chemistry and the 1st Portuguese-Brazilian Organic Chemistry Symposium.

The meeting will be held in the beautiful city of Lisbon at the Pharmacy Faculty of the Lisbon University from 4-6 of September 2013.

This is a unique event that will blend internationally recognized speakers, and the Portuguese and Brazilian organic chemistry communities. The scientific program will be of high quality, spanning over the many topics of modern organic chemistry, though with a particular focus on the interface with biological sciences.
